@ the City of Newark Council Chamber

220 South Main Street; Newark, DE

Children’s Play Area Available

The Planning Steering Committee for the Newark Community Sustainability Plan—*Sustainable Newark*— invite you to “Drop In” to their Community Workshop.

Focus areas for the Plan include:

We Respond to Climate Change: The City of Newark is committed to clean energy.

We Plan and Develop for All: The City of Newark is committed to sustainable land development and clean transportation.

We Build Better, Waste Less: The City of Newark advances sustainable design to promote healthy, efficient, and livable buildings.

We Preserve Nature, Reduce Impacts: The City of Newark minimizes its environmental footprint by preserving its natural resources and reducing its waste generation and water usage.
